

ATTIC LADDER WAREHOUSE

J SERIES DELUXE TIMBER ATTIC LADDER.

Premium grade timber 3-section folding ladder for use in conventional roofs

CUSTOMER PROFILE:

- For customers who will use the ladder frequently and who want a premium style ladder.
- Suits customers who want extreme stability, emphasise safety and easy access
- Suitable for people with less mobility and young ones

CUSTOMER BENEFITS:

- Wide, deep treads and gentle 57° ladder angle mean safe, easy climbing
- **Choice of two opening sizes:**
 - Wide 700mm opening – gives easy everyday access
 - Super wide 900mm opening – ultimate access for broad shouldered people and larger storage items
- Hand crafted in Australia from premium 25mm knot free pine giving great aesthetics and reliability
- Triple lacquer coated ladder sections give highest quality appearance and wear resistance
- Adjustable heavy duty double tension spring, heavy duty hinge and spring assisted ladder sections for finger tip operation
- Heavy duty 20mm ply veneered solid core hatch for sound and thermal insulation
- Strong, stable 410kg spread load capacity for long life with everyday use (ideal for passing boxes up in a chain)
- Full length handrail to right-hand side is standard for great climbing stability
- Metal in-ceiling hand rail and roof space skirt gives more security
